You will give the auction a \$500 deposit (cash, debit card, or credit card) and your driver's license. Upon bidding on a vehicle and when you are the last bidder and the seller agrees to sell the vehicle at your bid price, you are the owner of the sale. You will then proceed to the block to sign receipt. You will then be escorted to the office for paying the balance of your purchase and sign additional documents pertaining to the sold vehicle. After taking care of your purchase, you can return to the lanes if so desired to bid on another vehicle to purchase, you will be required to repeat the above process on each car purchased.
